He leaves a widow, a second wife, who lives at Big Rock, Tenn. The old gentleman's health was so feeble that he spent most of his time with his son in LaFayette. was so delighted with the results that he has given us permission to reprint his letter as follows:

"I had a very bad cold on my chest, and coughed very hard. I rubbed Vick's VapoRub on my chest for about five or six times and the results were wonderful. Also, I have a fifteen months old baby boy who had a very bad cold in his head. My wife simply

head, and the cold was loosened no time at all. We have used great many other remedies, b yours is best so far."

Vick's VapoRub is quicker and better than internal medicines for cold troubles and is particularly recommended for children, as it does not disturb their digestion. The heat of the body releases a soothing pine tar vapor that is in-haled with each breath, and, in addition, VapoRub absorbs thru the skin, taking out the tightness and soreness. Mothers will find it a"true Bodyguard for the home". Three sizes, 25c, 50c or \$1.00.
